Dear Sib,

I want to thank you and everyone involved for the excellent food and refreshments served at the reception today. We in the Agency are excited about the New Building, and the Cornerstone Laying Ceremony was a very important milestone in the progress of its construction. The services provided by Harold Jackson and Judy Stevens and their able staff were highly commendable and topped off the program for this important event. I heard many complimentary remarks about the food so you should be proud of you staff's fine performance.

Please pass my thanks to all who were involved and particularly to Harold and Judy.

Sincerely,

Harry E. Fitzwater
